

Job Opportunities

Company and Position:

Hi-Mtf SIM Spa, the company responsible for the organization and management of Hi-Mtf financial markets, provides job opportunities within the **Market Supervision team**.

Workplace: possible remote working, with an initial period of training in the office (Milan, Piazza Sant'Agostino 6)

Work time: full- or part-time with a preference for the evening hours (shifts from around 5 pm to 11 pm, from Monday to Friday)

Period: permanent / 1 year fixed-term contract (starting from March 2022)

Key responsibilities

The ideal candidate will:

- Supervise compliance with the rules of the markets for Market Operators and manage procedures for verifying violations
- Support senior team members in the monitoring of secondary market trading
- Prepare data and reports for internal and external stakeholders with a high degree of accuracy
- Build knowledge of rule books, trading system parameters and technical mechanisms
- Support detailed analysis of real-time scenarios and T+1 reports on Hi-Mtf markets

Candidate Profile

The ideal candidate has the following characteristics:

- Preference for BSc or MSc degree in Economics and/or Finance (graduating students are also welcomed)
- Previous work experience in the industry and interest in financial derivatives are a plus
- Availability to work in prevalence during the evening hours (i.e. from 5pm to 11pm)
- Fluent in Italian, good knowledge of English (written and spoken)
- PC literate with a good knowledge of Excel/Office
